

9606 Series Snare Stands

Ultra Adjust Style
model 9606

Ball Pivot Style
model 9606BA

Setup Instructions 9606 Series Snare Stands

- A) Open the tripod base of the snare stand and place it in an upright position.
- B) Insert the upper snare tube into the stand base.
- C) Adjust the memory lock on the upper tube to rest against the snare base collar.
- D) Open the snare basket to fit the snare drum to be used.
- E) Once the snare drum is placed in the basket, tighten the basket to secure the drum. Be aware that overtightening the basket may choke the drum sound.
